

# Join the Workforce Education and Training Work Group!

# Placer Workforce

## ✓What will we be doing?

As a member of the **Workforce Education and Training Work Group**, you will have a chance to participate in the strategic planning process that will support the implementation of the Education and Training component of the Mental Health Services Act. Our plan will contribute to developing and maintaining a culturally competent workforce, to include clients and family members who are capable of providing client and family driven services that promote wellness, recovery and resilience, and lead to measurable, values-driven outcomes. Our activities will include strategic planning, community assessment activities, review and input into the development of training, and much more.

## ✓When will we meet?

Next meeting held on **Monday, March 17<sup>th</sup> from 1-2:30pm @** 11533 C Avenue, Auburn, CA 95603 (large conference room). Future meetings will be planned at this meeting.

## ✓Who can get involved?

Anyone interested in planning the development of a truly competent workforce in Placer County to best serve our clients and consumers. We are looking for individuals and agency representatives from private and public sector organizations including mental health, alcohol and drug education, consumer organizations, education, students, law enforcement and others interested in this important work.
